New Law Passed Over Veto Slaps Labor Unions

The Very First Time

JONNIE ELAINE YOUNG

Jonnie Elaine Young, 5 year old daughter of Mrs. J. Z. Young, is shown here with a 5 pound bass she caught out of the Gaither Lake at Rockdale. What's more, it was her first fishing try for she had never so much as gone near a fishing place.

Jonnie Elaine, looking the part, is very happy over the whole thing. She brought the big Black Bass to her home in Cameron in a five gallon container, tried to keep it alive and was all but reduced to tears when her first catch died.

The story of how Jonnie Elaine landed this one of the gamest of all fish is told here for the first time. It is going to be hard on the boys who flash those fly rods around. Jonnie used a common cane pole and a worm. Jonnie's father, the late J. Z. Young, was a navy veteran and was killed at sea in the Pacific. Her mother is the former Jaunita Thomas and her aunt is Mrs. Make McDermott, the former Emma Howard Thomas. Mrs. John Henry Thomas, postmaster at Gause, is her grandmother.

T. B. RYAN NEW HEAD ROCKDALE STATE BANK

T. B. Ryan, for years active vice president of the Rockdale State Bank and directing its operations, has been named President of the bank by the Board of Directors.

Mr. Ryan succeeds the late Hardin H. Camp of San Gabriel, who died recently.

Murrell Camp, son of the late Hardin Camp, was named a member of the Board of Directors.

The bank directors created a new office, that of Chairman of the Board and named E. A. Camp to that place.

Mr. Ryan will continue to direct the operation of the bank and there will be no change whatever in the policy of the institution.

The complete Board of Directors is as follows: T. B. Ryan, E. A. Camp, W. E. Gaither, M. Murrell Camp and T. S. Barkley.

The officers of the bank are: T. B. Ryan, President; E. A. Camp, Chairman of the Board, and Vice President; John T. Hale, Cashier and Harold Luckey, Assistant Cashier.

The V. F. W. Ladies Auxiliary held their regular meeting Thursday night. During the business session, a vote was made to make a contribution to the Texas Cottage Fund, for the benefit of Widows and orphans of Texas War dead.

After adjourning the group was invited to the home of Mrs. David Shapiro, where a salad course and refreshments were served. A delightful social hour was enjoyed.

The next regular meeting will be held on July 3.

IMPACT ON LABOR BILL MAY SET OFF STRIKES

BULLETIN

The Senate passed the Labor Bill over the President's Veto shortly after 1 p. m. local time to-day.

The vote was 68 to 25.

The United States Senate was due to take a vote on the controversial Taft-Hartley Labor Bill around 2 p. m. Central Standard time Monday and based upon the outcome of that vote many things could happen to the economy of the country.

President Truman vetoed the bill and the House promptly passed it over the veto. In the Senate a filibuster developed to delay the vote.

Republican leaders say they have a 4 vote margin by which to carry the bill into law over the veto. Texas' two senators, Connally and O'Daniel will vote to pass the bill over the President's veto.

Will labor tie up the industry of the country? Many seem to think so and point out that the current strike at the Ford plant in Detroit cannot be settled under the new law because the bill prohibits negotiations between formen and employers.

The bill is revolutionary and for the first time in the history of labor and management relations, the Union is made responsible and held to accounting for its acts. One of the provisions of the bill is the outlawing of the ugly principle of the jurisdictional strike.

If organized labor calls a nation wide strike in every phase of its contract relations with industry, the economy of the country might well be destroyed. Is this the end—the show down?

At noon it was practically certain that the bill would become a law.

NO CHANGE SEEN FOR ROUTE HIGHWAY 36

Reconditioning of Highway 36 from the foot of South Crockett west to the city limits has been authorized by the State Highway Department and money is now available.

Mayor A. V. McCullin has been notified by John E. Blair, district engineer at Bryan.

There was no prospect that Highway 36 could be straightened out and made better. The plans are to resurface the street as it is now. This is also National Highway 190. Work is due to begin at once.

Mr. Blair in his letter to the Mayor says that funds have been appropriated to recondition Highway 77 from city park to the junction with the already completed road which was a part of the new bridge project.

The State Highway Department will build and maintain any type of paving the city will build, on highways running through any incorporated town. This work could have been done years ago had the city entered into contract with the Highway Department.

The contract was finally signed last year and the working agreement is paying off.

S P Would Discontinue Passenger Train Service

WACO TO YOAKUM LINE WILL BE AFFECTED

Application has been made to the Texas Railroad Commission by the Southern Pacific Lines to discontinue passenger train service between Waco and Yoakum.

Protests have been filed by the Waco Chamber of Commerce and the Chamber of Commerce in Rosebud is sounding out sentiment there.

At Lexington the Chamber of Commerce was taking note of the situation. Date of the hearing was to be set, according to F. E. Hoefler, superintendent of the Austin-Dallas

MORE GOODS ARRIVING TO MAKE BUSINESS GOOD

Freight sources here said Tuesday that goods are flowing more free than at any time since pre-war days.

These goods are finding their way to the hungry shelves of Cameron stores and within a short time, if present volume continues the city will have regained its place as one of the leading retail markets in central Texas.

There are still grave shortages of heavy goods, principally in farm equipment, autos and trucks to say nothing of the need for home appliances, but there are evidences of break throughs in these lines. Radios were the first to come through with supplies.

Cameron at one time was the largest distributing and sales center for farm equipment in central Texas.

Merchandising possibilities were never greater. Buying power is reflected in bank deposits and in savings. The restoration of credit and installment buying would mean a great deal if certain types of merchandise were available in quantities.

The large increase in cash crops in the Magic Soil Belt here has greatly edveloped buying power and beat down the credit system to make business more reliable.

THREE MEN ARRESTED IN WACO EARLY MON.

Three men accused of assaulting Eugene Porter, a Rockdale farmer, were returned to Milam County early Monday after their arrest at 10:30 p. m. Sunday ended a 9-hour search by Central Texas peace officers.

The three were arrested by Highway Patrolmen Glen Williamson and Bill Fowler and Sheriff's Deputies Guy Ackard and Raymond Barber near Circle after successfully eluding several road blocks.

Porter told peace officers the three came to his home in a pickup truck early Sunday afternoon and asked to buy tomatoes. The farmer said he accompanied them to a field, where they beat him. He said they fled in the truck after he reached for a knife.

Deputy Sheriff Guy Ackard said the three men arrested near the Circle admitted assaulting Porter, but denied robbery was a motive. Instead, Ackard said, they claimed personal reasons lay behind the attack.

Taken to the County Jail, the three remained there until Milam County authorities came for them at 2 a. m., Chief Deputy Sheriff Bill Harris said. Justice of the Peace Leo Harris at Rockdale said Porter received bruises and cuts on the face.—Times-Herald.

Lillie Ragsdale and Amparo Martinez arrived in Cameron Saturday, June 21, these girls will head the Mexican Baptist Vacation school during it's two weeks period. They came to Cameron from Taylor. Lillie Ragsdale is from Oklahoma. Amparo is from Huntsville. They work with the Southern Baptist convention. The enrollment at Mexican Vocation Bible School at the present is 21. After their two weeks of work in Cameron the girls will go to Rockdale and Roundrock.

division of the Southern Pacific Lines.

In Cameron, if the Chamber of Commerce had been notified, no publication has been made of the proposed cancellation of passenger train service.

Towns like Rosebud and Lexington will become inland centers so far as train riding is concerned if the passenger service is discontinued.

Cameron will have the advantage of the Santa Fe for train passenger travel.

Telegraph and freight services over the Southern Pacific through Cameron will not be disturbed and will continue as usual.

LABOR THREATENS

NEW SCHOOL LAW IS HARSH

3 YEARS FOR JOHNSON

TRANSFER DIFFICULTY WILL BAR CHILDREN

Harsh provisions of the new state aid law cited here Tuesday night by A. B. Martin, administrator of the Department funds, brought patrons face to face with the realization that transfers cannot be made as has been the custom in the past.

Under the provisions of the new state aid law which takes into account a new basis for teacher pay, no pupil can be transferred from one district to another if the grade to which the pupil belongs is taught in the school of their district.

These and other matters were discussed at length at the meeting of the Cameron School Board. Another harsh provision of the new law is that no district can transfer its children unless it has a 50c maintenance tax rate nor can it get state aid without a 50c tax rate.

In the past school pupils have been transferred from districts with low tax rates to schools with better advantages because of the higher rate.

Where a district has a tax rate of 50c transfers cannot be made to another district of a higher or equivalent rate because of the grades barrier. As an example: A pupil in the 4th grade up to the 8th grade from the Curry District cannot attend school in Cameron if that same grade is offered at the Curry School.

The Curry school is cited because of the large number who transfer to the Cameron school whose parents live outside the city limits.

It was pointed out that some 400 (turn to page ten)

NEW SPECIES OF FOOD CROPS BEING SHIPPED

The first ripe cantaloupes from the 1947 crop are reaching the city and some are being trucked out although the movement is not well advanced as the crop is late.

Foster Produce Company bought the first cantaloupes on Wednesday of this week. The price range is from \$2.00 to \$2.50 per bushel. It was said the acreage is not as extensive as was the 1946 crop.

Due to continued dry weather the quality of the new crop is up to standard. Rains on Thursday will prolong growth and increase the production.

The first water melons to reach the Cameron market were in evidence here last week. Movement of the Milam county crop is expected to get under way about July 1.

New market volumes in other crops are now making their appearance here. According to Mr. Foster bell peppers, okra and black eye peas are being shipped to Houston, Dallas, Oklahoma City and Wichita Kansas. Egg plant, a comparatively new engagement here is showing up well and will be ready for shipment in about two weeks.

Peppers were bringing 17½¢ per pound, okra 15¢ and black eye peas 3½¢ pound.

Si Jackson, Manager For Haley Store, On Leave To A&M College

Si Jackson, manager of the Haley Dry Goods Company here has been granted a leave of absence during the summer months, in order to attend A&M College. Mr. Jackson is studying Marketing Finance. He is the son of Mr. and Mrs. John Jackson of Dale, Texas.

At the end of his study course this Fall he will return to his duties with Haley's.

JURY BRINGS PROMPT VERDICT LATE TUESDAY

Lee Johnson was found guilty of assault with intent to murder with malice by a jury in District Court here late Tuesday growing out of charges filed in 1946 for the wounding of Dick Baggett and a woman companion at a night club on highway 36 east of Milano.

In the first conviction the jury found Johnson guilty without malice and gave him two years. The case was reversed and remanded and the jury here Tuesday not only found him guilty with malice but increased the penalty to 3 years.

The jury deliberated 30 minutes. He was previously tried in November 1946 and convicted.

Attorneys Camp & Camp for the defendant will ask for a new trial and would present their argument late Wednesday before Judge John Watson in District Court.

SLAVONIC BENEVOLENT ORDER TO CELEBRATE

The Slavonic Benevolent Order of the State of Texas will observe its Fiftieth Anniversary on July 1 it has been announced from the headquarters in Fayetteville.

F. A. Marek of Cameron, one of the original members of the order, has received a communication from J. F. Chupick, Supreme Lodge Secretary, outlining the history of the Order.

Its growth and service to the people has been most satisfactory. The Order was founded at La Grange July 1, 1897 by a group of 882 men and women of Czech extraction. At that time the organization had 25 local lodges. Most of the members were those who had emigrated into this country from Czechoslovakia and few of them could speak the English tongue and therefore Czech was of necessity the ruling language. But this was an outstanding American organization and has remained so throughout the years.

The first requisite for membership is American Citizenship.

The organization in its founding provided not only fraternalism but set up a certificate of safe, sound and economical life insurance and financial assistance to its members. It operates on a legal reserve basis and it is interesting to note that it was 112.35 per cent solvent as of December 31, 1946. It has paid 4200 death claims since its founding and has never been sued over a claim (turn to page ten)

"Country Boy Lester" Now High Judge Has Good Reason to Celebrate; Giles Lester Recalls Early Days Spent in Old Waco

June 19 is an occasion for Chief Justice Giles P. Lester of Tenth Court of Civil Appeals, too. Just 40 years ago today, on June 19, 1907, as a boy of 18, he arrived in Waco to attend Toby's Business College. He rode his first streetcar, saw his first automobile, ate his first dinner in a big hotel. Seven years later, having forsaken a business career for the law, he was elected Justice of the Peace, and has been at the Courthouse ever since, as Justice of the Peace, as County Judge, as District Judge, and now at the top of the local judicial ladder.

Young Lester had just finished High School at Jones Prairie (pronounced "Praier") in Milam County. He plowed a few weeks for W. L. Cook, now of Waco; quit the plow at noon June 14, and rounded up some cattle for his father, J. E. Lester, who was constable.

168,000 MINERS WALK OUT OF COAL PITS

WASHINGTON, June 24— Government officials reported tonight the Justice Department is investigating the sudden walkout of at least 168,000 soft coal miners to determine whether an injunction could be slapped on John L. Lewis and his union.

This was reported as Rep. Howard Smith (D-Va) told the house the new Taft-Hartley labor law may not be sufficient to stop the "national calamity" of a coal strike.

Smith urged extension of government plant-seizure powers.

Also, the National Coal association said that a full-scale national strike seems to be developing, apparently in "a clear violation" of the Taft-Hartley law.

The bituminous coal pits will be under government operation until June 30 and the Supreme Court's decision of last March left the way open for another injunction against the miners' leader and United Mine Workers if the federal contract is broken by a strike.

Technically, the miners were put on their "good behavior" by the high court when it remitted all but \$710,000 of the \$3,510,000 contempt of court fines imposed by Federal Judge T. Alan Goldsborough for the strike last fall.

Although the Taft-Hartley Bill prohibits sympathy strikes it was admitted as a definite threat to the nation that labor generally might tie up and paralyze industry and that every community in the country would feel the effects of it.

CANTALOUPE AND MELON CROPS SAVED BY RAIN

The Magic Soil Belt of which Milam county is the center, was flowering anew Friday following the great rainfall on Thursday.

The Cantaloupes and Melon crops on the verge of collapse because of dry weather and blistering sun, have been saved and it appeared that the produce crops in the county could round out one of the most prosperous years in recent times.

Cantaloupes are maturing fast and the rainfall will insure maturity of the younger melons and prolong the season for producing.

Both crops are late. Heavy rainfall during the planting season prohibited normal time element planting. The dry weather in June caught the crop in the pre-producing stage and imperiled the area where these cash crops are grown. The rain has saved the day for the growers.

The elder Lester and several other officers came to Waco on June 18 to arrest some Negroes they expected to find there celebrating Emancipation Day, and next day, June 19, young Giles caught a train from his grandmother's house at Ben Arnold and arrived at the Cotton Belt Depot at 7:30 a. m. Constable Lester and the other Jones Prairie men welcomed him at the station; they had breakfast at the Saint Charles Hotel, then took a streetcar ride to Pargitt's Park and other points of interest.

Then Constable Lester took his son to Toby's, introduced him to Sam Knight, who was in charge. Knight walked with him up Sixth Street and Austin Avenue to point the way to the boarding house at Seventh Street and Jefferson Avenue where young Giles was to stay, and noted M. M. (turn to page ten)

FRANCIS COX NAMED TO MUSIC COMMISSION

Francis Cox, director of the famous Yoe High School Band, has accepted an appointment to serve as a member of the commission to study proposed music to be used by bands in the state competition festivals in 1947 and 1948.

Mr. Cox has just received a letter from F. W. Savage of the T. M. E. A. of which he is director, advising that the committee is to meet in Dallas on July 11 and 12.

"The present plan calls for previous thought and study of music," says Mr. Savage in the letter to Mr. Cox, "and additional material which publishers are prepared to send you. The material will be further discussed and possibly performed at a culminating meeting to be held in Dallas July 11 and 12."

This music is being worked out under the board of the Texas Inter-scholastic League and expenses of the commission are being paid.

Mr. Cox as director of the Cameron band has achieved wide fame and his selection is regarded here as a much deserved recognition.

Judge Tyson To Head Lions Club Here; Program Is Planned

Tuesday night, July 1, the annual Lions Club Ladies night program will be held on the Yoe High Athletic field.

Committees are now making arrangements for the occasion. Officers for the ensuing term will be installed.

They are: Dan Tyson, president, E. J. Burke, Vice President, O. B. Horstmann, 2nd Vice President, Bert Nicholson, 3rd Vice President, Adolph Windfield, Secretary, Willis Dismukes, Tail Twister, W. F. Arthur, Lion Tamer, Herbert Colburn, B. F. Reichert, W. W. Lowe, and W. G. Harsha, Directors.

Thomas Jackson To Graduate at Biloxi Airplane School

Mr. and Mrs. Bartow Jackson and son, Bobby, left Cameron Wednesday for Biloxi, Miss., where they will visit their son, Thomas, who is a member of the Air Corps and stationed there. Thomas has been attending Airplane Mechanics school and will graduate from that class this week.

The graduation exercises will be held Saturday morning. His parents plan to be there for the occasion. Thomas will be given a ten day furlough and will return home with his folks for a visit.

Mrs. Frank Kittridge and small daughter, Anne, of Tulsa, Okla., are here for an extended visit with her mother, Mrs. George Mangum and sister, Mrs. George Graves. Mrs. Kittridge is the former Miss Grace Mangum, and has many friends here who are pleased to welcome her to her former home.

Lois Gregory and her mother left this week to make their home in Kentucky.

Mr. and Mrs. Jack Caperton and daughter Debby, visited in the home of P. L. Caperton and family over the week end.

Jester Protects the Status Quo On Texas Wet and Dry Front

AUSTIN, June 26—Gov. Beauford H. Jester tonight vetoed the controversial liquor regulatory measure which would have permitted some precincts in dry counties to vote for sale of liquor.

The measure had caused a flood of letters and telegrams to the governor on both sides of the issue.

The governor, in explaining his veto, said that the senate amendment permitting dry precincts to vote for liquor was the objectional portion.

The bill originally was passed in the house to strengthen the liquor regulations. The senate added the amendment allowing precincts to vote wet.

At present, precincts in wet counties may vote dry but the reverse order is not permitted. The amendment would have permitted voting either way.

The governor said that the original bill passed by the house (with out the wet precinct provision) would have strengthened liquor enforcement and control.

"The senate amendment to the bill in the last days of the legislative session making permissive the voting of wet precincts in some forty-two dry counties precipitated a controversy and serious question.

"Without this amendment, I would have heartily approved and signed the bill."

He said he agreed with the proponents of the amendment that it was logical, fair and probably legal, "to provide for voting wet precincts in dry counties since dry precincts can be voted in wet counties."

He said, "However, it is my opinion that it is not to the present or future best interests of Texas, Texas people and Texas institutions that the extension of liquor and beer sales into a precinct or precincts of some 42 counties that are dry now be made possible. Numerous protests point out that the ease of transportation in these modern days would result in wet precincts nullifying county-wide local option.

"Unfortunately, I cannot veto the questionable part of this bill, the amendment to the house bill, and let the wise regulatory provisions of the bill become law. The bill must either be approved or vetoed as a whole.

"I, therefore, deem it best to veto the bill."

Mrs. Albert Rasentahl of Thorn-dale and Mrs. Arthur Abler were visitors in Cameron Saturday.

CROP SAVING MOISTURE GENERAL OVER COUNTY

Two inches of rain fell in Cameron and vicinity Thursday after noon to insure corn and other crops.

Generally the rain was ample, especially in the western and northern parts of the county where the major crops are planted. Little rain fell east around Milano Thursday but early Friday a good rain fell in that section to complete the timely precipitation in all sections of the county.

Forecasts Friday were that more rain would fall. In the eastern portion of the county Friday rain fell

and in Cameron a light shower brought the rainfall up to 2 inches.

Rain is reported from many sections of the state, Waco having received more than 4 inches.

There will be little changes in temperatures but on the whole it will be cooler in the north and central portions of the state. High humidity will make the weather almost unbearable for the next few days.

So far no damage was reported either from wind, hail or rains.

Mrs. Randolph Williamson and sons from Yakima, Wash. visited their mother, Mrs. Howard recently.

Mrs. John Layne Baskin is visiting her sister, Mrs. Billy Newton of Sherman for a few days.

Miss Jeanne Lowe Married Here Sunday June 22 to Clyde Sheffield of Houston In Ceremony at Historic Baptist Church

Miss Jeanne Lowe, daughter of Mrs. E. G. Lowe of Cameron, became the bride of Clyde Sheffield, son of Mrs. J. R. Sheffield of Houston, at four o'clock in the afternoon, June 22, 1947.

Rev. L. L. Morriss, pastor read the single ring ceremony at the First Baptist Church which was decorated with tall baskets filled with beautiful white gladioli.

The bride, given in marriage by her brother, Woodrow Lowe was gownned in white marquette over taffeta, fashioned with sweetheart neckline, three quarter length sleeves and a full gathered skirt. Her finger-tip length veil of illusion fell from a tirma of orange blossoms. She wore a single strand of pearls and carried a bouquet of carnations and orchids showered with white satin streamers over a white Bible given her by her late father, E. G. Lowe.

As the bride entered, Mrs. Francis Cox, dressed in a flowing white organdy dress played Lohengrin's Wedding March, "Here Comes the Bride" Ray Burke, Sr. sang "I Love You Truly", and during the ceremony Mrs. Cox played, "Because".

The matron of honor, Mrs. Woodrow was dressed in pink marquette gown over taffeta, as was the maid of honor, Miss Melba White. They carried colonial bouquets of blue carnations with a cascade of blue ribbons. Little Peggy Joyce Dismukes was flower girl and wore a white organdy dress carrying a miniature bouquet of blue carnations.

Harold Sheffield, brother of the groom served as best man. The ushers were Ralph Phillips, Arvin Jackson, L. G. Smith and Willis Dismukes.

Mrs. Lowe chose for her daughter's wedding a black crepe afternoon dress complimented by white accessories and a corsage of yellow Peruvian lillies. Mrs. Sheffield wore a grey crepe dress with black accessories and a corsage of pink carnations.

Mrs. Sheffield is a graduate of Cameron high school, and studied Telegraphy at Springfield, Missouri. For the past several months she has been employed with the Western Union, at Bryan.

The groom is a graduate of Humble high school and attended college at San Marcos. At present he is employed with construction business in Houston, where they will make their home after a wedding trip.

Out-of-town guests for the wedding were: Mrs. J. R. Sheffield, Harold, Ray and Billy Sheffield and Mr. and Mrs. Justice Smith all from Houston, Miss Melba White of Bryan, Mr. and Mrs. Albert Crowell of Austin and Mr. and Mrs. Wm. Gee of Rockdale.

B & P Women Held Meeting Tuesday In Flower Garden

The Business and Professional Women's club held a meeting Tuesday evening on the attractive electrically lighted flower garden of Mrs. Katherine K. Robbins. In the absence of the president, Mrs. Edith Starnes, Miss Lillian Atkinson, vice president, presided over a short business session.

Following the business meeting, a social hour was enjoyed in pleasant conversation.

The delicious supper was served in Cafeteria style, and eaten on the lawn where chairs were provided with small stands furnishing table comforts.

There were 8 members present and five invited guests: Mrs. V. R. Schmidt, Mrs. Violetta Thompson, Mrs. Nell Hefley, Mrs. Leona White, and Miss Leila Wooley.

The next meeting will be held in July, and will be a watermelon cutting.

Doris Ruth Donaldson And Cecil Holloway Are Married Tuesday

Doris Ruth Donaldson became the bride of Cecil Holloway at the home of Rev. P. L. Caperton Tuesday night June 17 at 9 o'clock.

The bride was dressed in pink with white accessories.

Along with the bride were the following, Mr. and Mrs. Neil Bailey, Mr. and Mrs. Eddie Geer, Miley Geer and Ben Hardie Bailey.

Miss Donaldson is the daughter of Mr. and Mrs. Herman Donaldson of Cameron and Mr. Holloway is the son of Mr. and Mrs. H. M. Holloway.

Mr. and Mrs. R. V. Holloway, Nattie Holloway and Marilyn Devers spent Sunday afternoon in Rockdale.

Miss Margaret Rouse, W. Carl Cooper Jr., Wed Last Saturday

Miss Margaret Rouse of Hearne became the bride of W. Carl Cooper Jr. of Maysfield in a candlelight ceremony Saturday, June 14, at 7:30 p. m. in First Baptist Church of Hearne.

Rev. Frank Newton of Waco, brother-in-law of the groom, read the double ring ceremony, and the music was presented by Mrs. F. W. C. Karney, organist, and Fuell Porter of Huntsville who sang "At Dawning," and "I'll Walk Beside You." Candlelighters were Gordon Jr. and LaRue Green of Houston, nephews of the bride.

Given in marriage by her brother, W. E. Rouse of Taylor, the bride wore a dress and gloves of white silk marquette with a finger-tip veil and a string of pearls given her by the groom. For "something old" she wore a Cameo ring over thirty years old, given to her some years ago by Miss Viola Cobb of Hearne. She carried a bouquet of daisies atop a white Bible given her by the maid of honor.

Miss Winnie Bloomquist of Devine attended the bride as maid of honor, and Miss Irene Gode and Miss Willa Faye Shoap of Hearne were bridesmaids. The maid of honor wore blue net over blue satin and carried a nosegay of deep pink carnations. The bridesmaids wore dresses of pink and yellow silk marquette and carried nosegay of blue and pink carnations. All three wore halo head-dresses of the same material as their dresses.

Charles Campbell of Houston was best man, and Walter Collier of Mumford and R. B. Mayes of Maysfield served as ushers.

Miss Bertha Rouse, sister of the bride, wore delft blue crepe with pink accessories and a corsage of white

carnations.

After the ceremony a reception for the bridal party, relatives, and out-of-town guests was held at the home of Miss Bertha Rouse in Hearne.

Margie is a graduate of Hearne High School and Southwest Texas Teachers College San Marcos. Carl is a graduate of Yoe High School, Cameron and Landigs School of Mortuary Science in Houston. Mr. and Mrs. Cooper will make their home in San Antonio where Mr. Cooper is employed with the Charles Hanavan Funeral Home.

Cameron Women Back From New York Visit; See Other U. S. Cities

Mr. and Mrs. Carl Walzel of San Antonio and Mr. and Mrs. Dwight Price of Cameron have returned from an enjoyable trip to New York City, where they visited Mr. and Mrs. W. J. Redfern and daughters Patricia, Eileen. Mrs. Redfern is the former Juanita Price, a graduate of Yoe High School. They visited many points of interest along the Eastern and Southern coast including Washington, D. C., Florida, Mobile and New Orleans on their return trip home. They enjoyed a fishing trip on the way. They were accompanied to Kansas City, Mo., by Mrs. Chas. Mrs. A. J. Smith Back To TSCW For Reunion Of The Class of 1907

Denton, Texas, June 17— When Texas State College for Women observed its annual homecoming this year, members of the Class of 1907 celebrated their twenty-fifth anniversary by returning to their Alma Mater. Among the group was Mrs. A. J. Smith, Cameron.

Contrasting their class of twenty-seven members to this year's graduating class of 312, the group recalled college days when they were honored at the Homecoming Banquet. Of the original class, twenty-three members are still living.

The sponsor of the class, Dr. Rebecca Evans, Denton physician, attended the celebration. Dr. Evans was college physician in 1907 and a member of the college's original faculty. The college opened its doors in 1903.

A short report given by a member of the class revealed a total of 48

children among them, no divorcees, and seven daughters who had finished at TSCW.

Highway Patrolman Patterson from Temple was here Tuesday, his working partner J. E. Paulk resigned the Highway Patrol, and is a member of the Ranger Department under Fred Olson at Austin.

Marie Chandler is visiting friends and relatives in Houston for a short visit.

Polly Winston and Martin A. Hearne Are Married In Robstown

Before an altar framed with burning white tapers and an arrangement of potted palms and baskets of white gladiolas, Miss Polly Winston, daughter of Mrs. T. G. Winston of Robstown and Martin A. Hearne, Jr., son of Mr. and Mrs. Martin A. Hearne of Cameron, were united in marriage in Robstown Friday morning, May 30 at the Methodist Church with Rev. Fred J. Brucks performing the double ring ceremony.

Walter E. McGonagill gave a violin selection of "Oh Promise Me" accompanied by Mrs. McGonagill at the organ. Miss Mary Louise Bryan sang "At Dawning" and "Because". Mr. and Mrs. McGonagill played Wagner's bridal chorus from "Lohengrin" as the bridal party entered, and during the ceremony "Ah, Sweet Mystery of Life."

Miss Kathryn Moseley of Robstown served as maid of honor. She wore a floor-length frock of pastel green. The fitted bodice was fashioned of lace with full net skirt of matching color. Her headpiece was of green lace and stood as a tiara with a shoulder length veil of green net. She carried a nosegay of shell gladiolas.

Miss Arlene Hargrove of La Feria and Miss Vera Hartlage of Richmond, served as maids of honor to the bride. Their gowns were fashioned after the maid of honor's in shell peach lace and net. Their tiaras were of matching colors. Each carried a nosegay of daisies and asters centered with carnations.

Little Miss Patricia Sue Balkman, niece of the bride and daughter of Major and Mrs. John P. Balkman, served as flower girl. She wore a frock identical to the bride's with an illusion of veiling in her hair.

Master Tommy Winston, son of Marcus Winston and nephew of the bride, served as ring bearer.

The bride, given in marriage by her brother, Lloyd Winston, wore a gown of imported organdy designed with tight-fitting bodice of embroidered organdy and a sweetheart neckline. The full skirt had an inset of embroidered organdy outlined with ruffles. The bride wore a single strand of pearls. Her fingertip length veil of fine illusion had a shirred tiara centered with calla lillies.

Serving as best man was Bob Alexander of Austin. Groomsmen included Jack W. Beasley of Cameron, and Elimar Horstman, Jr., of Buckholts. Ushers were Mack F. Davis, Jr. of Bartlett and Marcus Winston.

Mrs. Winston, mother of the bride wore a dress of printed silk with black and chartreuse accessories. Mrs. Hearne, mother of the groom, wore a dress of Alice blue with white accessories.

After the ceremony approximately 75 friends and relatives attended reception at the bride's home in Petronila. Guests were greeted by Mrs. Winston, the bride and groom, Mrs. M. A. Hearne, Sr., and members of the bridal party.

Miss Evelyn Howington presided

at the guest register. Centering the table covered with a white cut linen cloth were the nosegays carried by the Maid of honor and bridesmaids. A double ring wedding cake trimmed with pastel green and shell peach flowers was served by Miss Marinel McBurnet. Miss Carlene Howington served punch. Other members of the house party included Miss Laura Jean Fox, Mary Frances Moseley, Eloise Davis and Mrs. James Hanna. Vases and baskets of white gladiolas decorated the library and parlor where gifts were on display.

As her traveling suit Mrs. Hearne chose a grey two-piece suit trimmed with silver buttons. Her hat was grey felt derby and other accessories were of red. She wore a gardenia corsage.

Mrs. Hearne graduated from Robstown High School in 1942. She then attended Draughan's Business College in Houston. Following this, she enrolled in Southwest Texas Teachers College at San Marcos, where she is now a Senior student.

Graduating from Cameron High School, Mr. Hearne attended Texas A&M for one year. He then served three years in the Navy, two of which were overseas. He is now a student at SWTTC at San Marcos.

After a wedding trip to New Orleans, the young couple will make their home in San Marcos.

Out-of-town guests present for the occasion were: Mrs. M. A. Hearne of Cameron, Mrs. J. C. Durham, Kingsville; Misses Doris Hackfield and Dorace Engelking of Agua Dulce; Mrs. Glen Wade, Mrs. Joe Merritt, Misses Louis Murphree and Mary Evelyn Hansard of Corpus Christi; Miss Vera Hartlage of Richmond; Miss Arlene Hargrove, La Feria; Jack W. Beasley, Cameron; Bob Alexander, Austin; Mack F. Davis, Jr., Bartlett; Elimar Horstmann, Jr., Buckholts; Major and Mrs. John P. Balkman, Patricia Sue and John Paul, Jr., of Los Alamos, New Mexico and Marvin Petty of Brady.

Following the rehearsal Thursday evening, a dinner was given at the home of Rev. and Mrs. Fred J. Brucks, honoring the bridal party. Twenty-three guests were present.

Radtke Family Here Holds Reunion

A reunion of the Radtke family was held on June 22.

Mr. and Mrs. J. F. Radtke had as their guests their children; Mr. and Mrs. A. E. Moberg of East St. Louis, Illinois, Mr. and Mrs. Sam Radtke of Rockdale, and Mr. and Mrs. Ben Shurvet and two daughters of Fort Worth.

Mrs. Mary Radtke had all her children and grandchildren present as follows: Mr. and Mrs. T. M. Wyatt, their son and daughter of Houston, Mr. and Mrs. J. W. Tate, their son and daughter, of Dallas, Mr. and Mrs. Harvey Radtke and three sons of Houston, and Mr. and Mrs. W. S. Radtke, their son and daughter, of Caldwell.

Dr. Johnnie Richards from Rockdale was in Cameron on business.

L. L. Morriss Tells of War Impressions; No Country Like USA

There is no place like home and no country like the good old USA, said L. L. Morriss, pastor of the Baptist church here Wednesday in a talk to the Rotary Club.

Mr. Morriss was a chaplain in the late war and saw the conflict in many angles, notably the battle fronts and devastated cities.

Out of the war came new appreciation of values, he said, and these values not only are to be observed in the comparative values of the systems of government but in spiritual and moral things as well, he said.

His description of the historic religious centers of the world was most interesting.

THE PRESIDENT OF THE UNITED STATES: "The problem of lowering the highway death rate remains one of the nation's most serious problems. It is an appalling fact that 33,500 American citizens were killed in automobile accidents in 1946. I therefore call upon every State and every community in the land to work unceasingly through 1947 to promote highway safety.

"Laws and regulations will be of little avail unless the individual driver holds himself strictly accountable to his own conscience."

That call is to you personally to cooperate as a citizen of the United States in helping reduce highway accidents. It is a shameful record when in one year 33,500 lives are sacrificed; 1,150,000 persons are injured and \$750,000,000 in property destroyed, resulting in an economic cost to the nation of \$2,000,000,000 because of careless, reckless driving.

It is a national problem, but essentially the solution is in your hands. Drive safely—live and let live!

[This is the first of a series of advertisements presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation through their Press and Publisher Associations.]

Mr. and Mrs. Al Johnson and son Allen from San Antonio spent the week end in the home of Mrs. Johnson Father, R. E. Thweatt.

Mrs. Bownds of Mexia was a guest of her daughter, Mr. and Mrs. Ray Mardison last week to attend a social at the Methodist parsonage.

Miss Lessie is spending her vacation with her sister, Mr. and Mrs. G. W. Hilliard.

Mr. and Mrs. Rufus Butts have returned to their home in Houston accompanied by his sister, Miss Lottie Butts.

Mr. and Mrs. Allen Kirkland, and their son and wife left Wednesday

for Elizabeth in South Carolina for an extended visit.

Mr. and Mrs. L. E. Love, Mr. and Mrs. Will Hensley and Mrs. Dan Robinson attended church at the Presbyterian church in Chriesman Saturday night.

COURT CONSIDERING INCREASED BUDGET

Whether Milam County's Health Unit will operate another year will be decided by the Commissioners Court which now has under consideration a request for an \$800 increase in the budget.

The members of the court are now going over the tax rendition rolls for the year, an annual duty. Property values are far below the values of 20 years ago. According to the tax rolls the county has lost heavily. This no doubt has resulted from the close down of the farms. At one time Milam county had more than 5000 farms.

Most of the lands previously cultivated are now in pasture but the county has a record number of livestock at prices as high as in all history.

Without support by the county the health unit cannot operate. The court members are all friendly to the unit and want to see it continue. Cameron is the only incorporated city in the county that pays any of the expense of the unit.

Mrs. Tom Mitcham of Cameron is a surgery patient in the Newton Memorial Hospital. She is doing well and many friends will be glad to know of her good progress.

Negro Man Held For Cutting Woman He First Tried to Shoot

Elish McCullough, negro, is charged with assault with intent to murder, in connection with an attempt upon the life of a negro woman on West 15th Street Friday night.

According to officers the trouble occurred near a dance hall. The man fired several shots and then attacked the woman with a knife. She was hospitalized at the Newton Memorial Hospital with severe knife slashes across the back and chest.

It was the first outbreak of violence in the negro section of the city in some time.

BARTLETT DOWNS SOX 15 TO 2 HERE SUNDAY

The Red Sox were turned back Sunday in their first defeat of the second half schedule.

It was not merely a defeat, it was a rout for the visitors behind the faultless pitching of Harry White won the game 15 to 2. Cameron played a listless game and errors contributed to the debacle that made the team look like they will have to do a lot of hard work to get along in the company of the Bulldogs.

The Sox go to Bartlett next Sunday.

Cameron used three pitchers, Wernli, Philley and Jackson. It wouldn't work. Jones and Michalka alternated at catching.

The game drew a good crowd despite the hot weather and lack of modern facilities at the park.

Crazy Hat Wins Refrigerator!

One of those "Breakfast in the morning" radio shows came to Capitol City last week, and Sarrah Carey won first prize for wearing the craziest hat in the audience. It was a full-sized refrigerator! (The prize, not the hat.)

"Glad them hats of hers paid off at last," says Ed, treating the whole thing like a joke. But you could see he was proud of Sarrah.

From where I sit, there's another thing Ed can be proud of: the way he's put up with those hats of Sarrah's, with never a criticism; just

as she's put up with Ed's pipe and the other little freedoms he enjoys.

They've got that refrigerator home now, stocked with beer; and we're going over tonight to drink a toast—not just to Sarrah's hats taking first prize ... but to a happily married couple, who've learned to live with one another's differences in tastes—whether it's a taste for hats or beer!

REBELLION PROMISED BY AF OF L LEADER

WASHINGTON, June 23 — The Taft-Hartley labor bill became the law of the land today.

The senate overrode President Truman's veto and his all-out opposition, 68 to 25.

This was six votes more than the required two-thirds majority—more even than the bill's supporters had expected.

And the chamber spurned a final appeal which the president sent by Democratic Leader Barkley (Ky) two hours before the roll call.

The President insisted that "this dangerous legislation" will hurt "our national unity" and so "render a distinct disservice not only to this nation but to the world."

Senator Taft (R-Ohio) told the tense senate just before it voted, however, that the GOP congress would "be held delinquent" if it failed to pass the bill. He shouted that "unions today are big businesses" and "should have the same responsibility as corporations."

The outcome was Mr. Truman's sharpest setback at the hands of the Republican-controlled congress, elected last November.

It was a tremendous victory for Taft, widely mentioned as a possible GOP Presidential candidate next year. Taft sponsored the bill with Rep. Hartley (R-NJ).

The senate showdown found 20 Democrats going along with 48 Republicans to override. For upholding

the President and his veto were 22 Democrats and three Republicans—Senators Langer (ND), Malone (Nev) and Morse (Ore).

The full strength of the senate was on hand for the historic ballot with the exceptions of Senator Wagner (D-NY), ill in New York; Senator Elbert Thomas (D-Utah), who is in Geneva, and Senator Bilbo (D-Miss) who has not taken the oath. Even if all of them had been here and voted to uphold the veto it would have made no difference.

Wagner, father of the labor relations act bearing his name, sent a message from his sickbed which the clerk read just before the roll call. He called upon his colleagues to uphold the veto and concluded:

"The President would not lie at this critical moment in history."

This apparently was a reference to the arguments of Taft and Hartley. They had said that some of the President's statements were "not so" and "false."

No sooner had the vote been taken and the bill passed than William Green, president of the AFL, promised "an immediate campaign" for its repeal. His statement said that "labor will never become reconciled" to it. Philip Murray, president of the CIO, called a meeting of its executive board for Friday to map its course.

COURT RULING ROBS TEXAS 150 MILLION

AUSTIN, June 23—Loud roars of protest including talk of secession came from Texas officials today when they learned the United States Supreme court had held with the federal government in its claim to valuable submerged lands off the California coast.

Land Commissioner Bascom Giles gave voice to the secession talk, Attorney General Price Daniel pledged a "last ditch" legal fight for Texas' claims, and Gov. Beauford H. Jester expressed surprise and chagrin over the decision regarded as casting a dark cloud over Texas' claims:

"Even if I were to be alone," growled Giles, "I for one would favor seceding before giving up these valuable lands."

While the California case does not concern Texas directly, this state had intervened against the federal government and Daniel had led the fight by orally arguing the state's position before the Supreme court.

At stake was oil and gas lease income—estimated by some to be potentially as much as \$150,000,000—for Texas public schools. With development of tideland oil reserves in its infancy in Texas, the public schools to date have realized nearly \$7,000,000 from such royalties.

Daniel said he would advise the school land board, entrusted with the duty of leasing such state-held lands, to continue its leasing policy pending further moves by the federal government.

DRILL NIGHT

It was assembly time twice last week on Tuesday and Friday evening for Battery C, 239th F. A. Bn., as Captain Rudolph Michalka, Commanding Officer of Cameron's new National Guard unit, decided to double up the schedule until the end of June.

Seen and heard during the evening:

Sgt. Guest, furnished by the army as instructor for the battery, showing a couple of "must" mobies . . . and a veteran commenting: "That guy hasn't changed a word of his lecture since I saw it in the Reception Center five years ago" . . . Capt. Michalka taking two applications for enlistment — one officer, one enlisted man . . . Lt. Tepera explaining the Position of Attention . . . and mentioning a future talk on Military Courtesy . . . Calisthenics on Friday evening . . . with the side-straddle-hop featured. (How come no push-ups? That's a nice exercise) . . . And the veterans, after Lt. Tepera remarked they all probably would be non-coms, looking as happy as a farmer when its raining . . . Also that observation about the number of cars parked out in front of the building: "Well, you can see its a motorized outfit, anyway" . . . And an announcement:

The coast-to-coast radio program, National Guard Assembly, has changed its time from 8 to 7:30 on Wednesday evening. The Paul Whiteman music, from the first indigo notes of Rhapsody in Blue to the final fanfare, is swell. Most ABC stations carry the program; try the one at Ft. Worth at 570 on your dial.

And that's all for now. See you again.

Haley's Store Gives New, Bigger Savings In Another Sale Here

Haley's dry goods store in Cameron is giving new and bigger bargains in another flash sale of the week.

Frank Haley of Rockdale was in Cameron Monday to leave copy for the page ad in the Daily Herald published to-day. He said that the store had wonderful response to the previous ad last week and that he was well pleased. Sales people at the store were very enthusiastic over the results.

One of the major reasons for the increased sales volume at the store is new goods. Buyers will be happy to know that at last merchandise is reaching the city and Haley's store is getting a large share of it.

Down to earth low prices on goods now being cleared out of the store is one very good reason why buyers are lapping up these savings.

Mrs. Rosa Kemp Adams had as week end guests at her home Mrs. Petway and daughter, L. W. Kemp, and Milton Tucker, of Houston, and Mrs. Lucille Byrom, also of Houston. Mrs. Byrom remained over for a few days longer and expects to return to Houston the last of this week.

E. C. Brown was a Cameron visitor from Sharpe.

Lutheran Picnic At Thorndale Thursday

The outstanding public entertainment of the week will be the St. Paul's Lutheran Picnic at Thorndale on Thursday, June 26.

This picnic is an annual event, one in which thousands join. The City of Thorndale closes down for the day and everyone goes to the picnic. The picnic grounds are on Brushy Creek one mile north of Thorndale.

The program opens at 8:30 a. m. with a parade, flag drill and band music. At noon a barbecue dinner will be served at the picnic grounds, to be sold with free coffee. The afternoon will be taken up with games, music and speaking.

Swimming Class Will Get Red Cross Life Saving Instructions

John Henry Wilson, qualified Red Cross Life Saving instructor, will begin instructions to the class of Mrs. Denson at the municipal swimming pool on Wednesday at 5 p. m. There will also be instructions on Thursday at the same hour.

Mr. Wilson said he did not know how many days these instructions will be given. Mrs. Denson left for a vacation and asked him to take over. The classes are well advanced.

Mr. Wilson said that the date for tests will be announced later. Pupils in life saving courses have to take tests to qualify for the distinction of Red Cross Life Savers.

Mr. and Mrs. John P. Young and daughter, Patricia visited Mrs. W. L. Young and Mrs. C. P. McGregor recently.

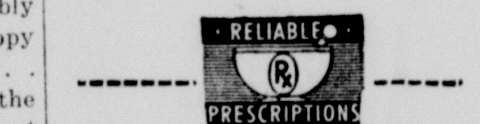

Mrs. Stella Todd Cass, of El Paso, is visiting her sister, Mrs. Preston Graves.

"Sea of Grass" Stars Are Who's Who of Film World; Here Sunday

If the cast and production staff of M-G-M's spectacular drama, "The Sea of Grass," coming to the Cameron screen Sunday is any indication, this star-studded new picture is a sure-fire contender for next year's Academy Award.

Producer Pandro S. Berman recently was named "Champion of Champions" as the result of his fourteen-year record. Fame Magazine cited him for producer achievement. He has won eight box-office blue ribbon awards, and six of his films have been included in the list of the nation's ten best pictures.

Two-time Academy Award winner Spencer Tracy, who leads the cast of "The Sea of Grass," has had nine of his starring vehicles named "best picture of the month" during recent years and he's been among the first six box-office favorites for eight consecutive years.

Katharine Hepburn, who with Robert Walker and Melvyn Douglas, also shares stellar honors in the new production, is another "Oscar" winner.

Cameraman Harry Stradling won

the cinematographer's statue last year. Film editor Robert Kern's cutting on "National Velvet" brought him the award and musical director Herbert Stothart has twice won "Oscars."

HOUSE PASSES BILL PROMPTLY AFTER VETO

President Truman Friday returned the controversial Labor Bill to the Congress with his veto and a message giving his reasons for rejecting the measure.

The President was due to broadcast a short statement to the people of the country at 8 p. m. Friday.

He said the bill is unfair to labor and does not correct the abuses it was intended to solve.

The President was promptly charged with turning the Democratic Party over to Henry A. Wallace and that he was laying down the formula for his campaign in 1948.

It was expected that the bill would be passed over the President's veto in the Senate. The House promptly overrode the veto by a vote of 332 to 83.

Fine Corn Displayed Here; Cucumbers 12 Inches Long Raised

Corn grown by Charles Hrachovy at North Elm on the Marek farm is on display at the Walter Lester store which is the Cameron Seed & Insecticide Company.

This corn is from F. B. Romberg's Hybrid and measures 7 feet and 3 inches and has 3 large ears and 5 small ones to the stalk. The corn is averaging 2 ears to the stalk and Mr. Hrachovy said that the corn will produce about 75 bushels to the acre.

Some cucumbers 12 and a half inches long are on display at the store. They were grown by Mrs. Hlavacek at Ad Hall. She bought 15c worth of cucumber seed from Mr. Lester and has already sold several dollars worth. The cucumbers are very prolific.

Sam Mewhinney of Buckholts was in Cameron Thursday on business. He says the rainfall there was good and while on a trip to Maysfield to deliver a fine Hereford male, found that section of the county had also received a good rain. Mr. Mewhinney inserted a classified ad in the Daily Herald and sold two bulls.

BACK AGAIN

IN THE SUPERB QUALITY YOU REMEMBER

It's Easy..... But it just isn't done

Ever so often the "latent civic spirit" comes to the surface and we declare for home industry.

Not so long ago the Chamber of Commerce sponsored a series of essays at the school on "why we should buy at home." It was in large measure a waste of money but satisfied us for a while for we could point to "something done."

There is no point in telling people where to spend their money. If we expect to do business and get along we must have something to sell and advertise it.

Newspapers, serve better, do more, give away more than any other institution in any town to better the community. Yet, the greatest abuse of the "buy at home" movement occurs in printing.

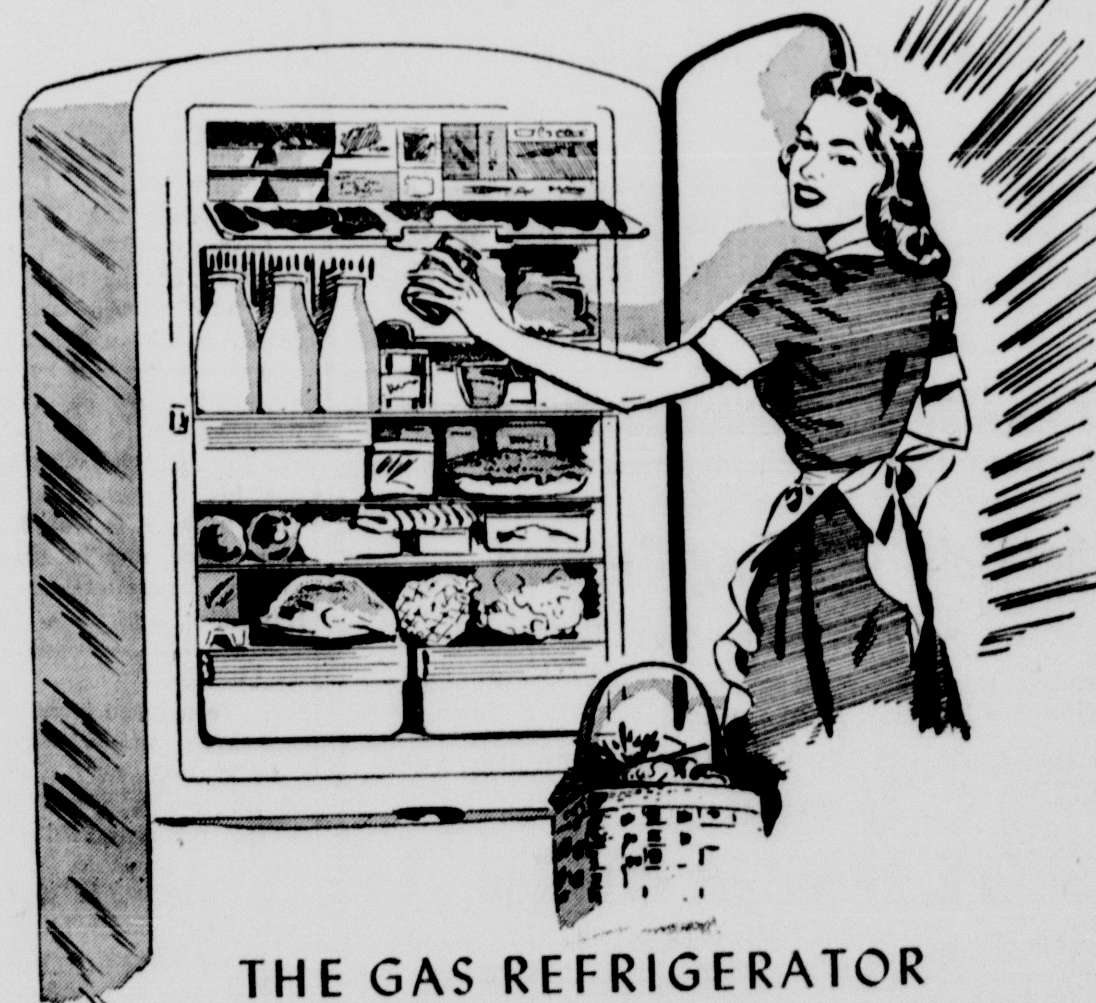

Every day there are cases where for a few cents they will buy it out of town. That is also true of the dry goods merchant, the hardware and furniture merchant, the tire dealer, etc. It is even true of money loans. Where will it end?

The very men-who sponsor "buy it at home" campaigns are often the worst offenders. Yes, we are town builders—we are putting up new buildings in every city within a radius of 500 miles or more, but we haven't the good sense to build one in Cameron. DON'T think it over.

Tomatoes Coming In At Brisk Clip; No. 1 Green Bring 6 Cents

Tomatoes, one of the largest of the quick cash crops in Milam county, were coming in again at a fast clip. The continued dry weather has matured the crop too fast and considerable loss will occur. The No. 1 greens are bringing 6c per pound and the lesser grade 2c. Pinks or ripe tomatoes were worth 4c here.

Heavy rains that fell over the tomato area Thursday afternoon will virtually assure a large percentage recovery of the vine and a second crop will result.

The market has been good and the acreage was large. Some 20 cars have been shipped from Cameron but more has been trucked away. Nearby consumer centers have had the benefit of Milam county's choice tomatoes, the best known to the world. The quality made 9c a pound possible here for a short time and for a longer period they were bringing 8c.

SCHOOL LAW—

(continued from page one)

pupils are transferred to the Cameron schools each year. They are in the main high school pupils and the new law does not affect their status. It was said that some 58 pupils in the lower grades will be affected.

To sum up the situation small rural district schools will have to get along with whatever facilities they can afford since the new law does not permit transfer.

No school is eligible for state aid unless it has a tax of 50c. Based on the new regulations Cameron's school faculty may be reduced by three teachers in 1948.

Another provision of the law that will operate as a disappointment to rural districts is that no district may have the full benefits of the law unless it has a 50c local maintenance tax.

A suggested solution is merger of districts but that plan was not satisfactorily explained as yet. School authorities here were worried over the plight in which many pupils will find themselves. Payment of tuition would only result in the state deducting that amount from the state aid funds sent to local schools. There is no special problem here but the new regulation which requires a student to go to his own district school as long as his grades are taught there, prohibits his transfer.

This new law of course operates all over the state with state aid schools. It would not operate in schools where local taxes were used to maintain the system, but the provisions with reference to grades being taught would still operate. The plan is to maintain the local school and to safeguard the apportionment funds.

At present there are five schools transferring to Cameron that have less than a 50c tax. They are Branchville with no tax; Maysfield 25c tax; Clarkson 25c tax; Ben Arnold 25c tax and Salem with a 5c tax.

An election has been called for the Maysfield district for July 2nd to raise the tax to 50c.

Obviously the trend of this legislation is to bring about consolidation. The transfer barrier could be eliminated if those districts now transferring would seek admission to the Cameron district or to any district of their choice. The new difficulties should claim the immediate attention of school patrons.

JUDGE LESTER—

Mount, who also went to Toby's and stayed at the same house. Knight introduced the youths, they became fast friends.

That afternoon as he sat in front of the Saint Charles, Giles saw his first automobile, an old one-lung Maxwell, puffing and chugging up Austin Avenue emitting a cloud of smoke.

"I thought sure the car was on fire, and I wanted to run out and tell the man about it, so he would not burn up, but I restrained myself," recalls the Chief Justice.

Lester quit Toby's worked a while as head of the shoe department at Mistrot's store, then because his father had been Justice of the Peace and Constable and he had frequently attended court as a spectator and liked the idea of law, he started reading at night, with Walton Taylor, got his degree, returned to Waco. Then he went to Cumberland College, to practice, and in 1914 was elected to his first office.—Waco Times-Herald.

tors are: Jos. Zemanek of Blessing; J. F. Kubala, Point Pilot; J. C. Ein-eigl, Yorktown; Chas Navratil, Temple, and J. M. Skrabanek, Houston.

The supreme medical director is Dr. J. A. Halamecek of El Campo and the editor of the official publication, Vestnik is Frank Moucha of West.

CHRISTIAN SCIENCE SERVICES

"Christian Science" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 29.

The Golden Text is: "Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give" (Matthew 10:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Another parable spake he unto them; The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened" (Matthew 13:33).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Ages pass, but this heaven of Truth is ever at work. It must destroy the entire mass of error, and so be eternally glorified in man's spiritual freedom" (page 118).

John David Matula Takes Position At Haley Store Here

John David Matula has accepted a place with the Haley Dry Goods Store in Cameron.

He is the son of Mr. and Mrs. Albert Matula, a high school student and member of the Yoemen football team, a half back who is due to see a lot of service this fall.

John David likes his new job, appreciates the value of advertising and says the business at the store is increasing at a rapid rate with the arrival of new goods.

Si Jackson who has been with the store is taking leave for a short time at A&M College and will return.

Miss Georgia Houston, of Houston, is visiting in the home of Mr. and Mrs. F. E. Jackson this week.

Cameron Ice Cream Defeats Walgreen

Interest was mounting in the city soft ball league with the initial games already played.

Friday night Cameron Ice Cream Company team defeated Walgreen 10 to 2. Manager Greenlees is proud of the showing of his team and Willis Dismukes of the Walgreen team says he will work a lot harder and the next time it will be different.

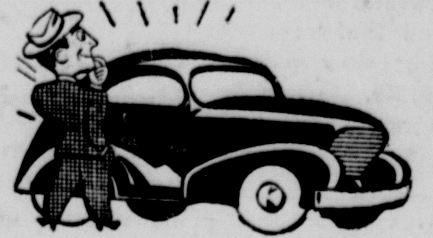

Elsewhere in this issue of the daily will be found the schedule for the week.

NEWLY ENLARGED LONE STAR BREWERY NOW SWINGS INTO GREATER CAPACITY

Bringing Its Double Mellow Beer To More Thousands of Texans

Now—when you "Take a break for a Lone Star Beer" you are more likely to get what you want. For Lone Star Brewery has been doubled in capacity—to meet growing demand for this double mellow brew.

To do this—Lone Star added new brewing tanks—new storage tanks—new refrigeration equipment—new bottling line. Thousands of dollars worth of new equipment—plus round-the-clock operation.

But this is not a new experience for Lone Star. Since April of 1940—just seven years ago—Lone Star has outgrown its facilities several times. From its original, small brewing plant it has grown to one of the finest, most modern breweries in Texas.

Such rapid growth has been possible only because Lone Star has never sacrificed quality for quantity.

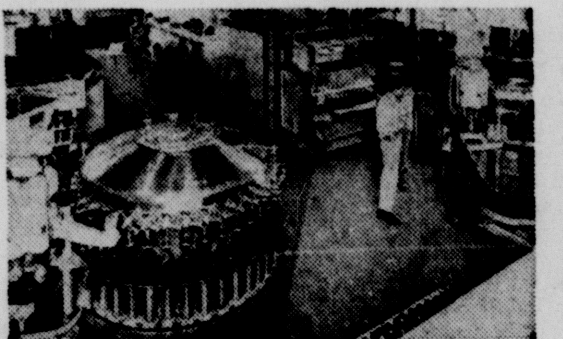

So—"Take a break for a Lone Star Beer." If your dealer doesn't have it, try again. Your chances of getting Lone Star are now more than doubled.
